Powder Coated body

3 Year Warranty from date of purchase
* subject to terms and conditions

Product Description

The Lighthouse 30 watt Wall Pack is based on genuine Epistar chips with high power factor ballasts. The wall packs feature black powder coated bodies with integrated heat conducting aluminium alloy heat sinks and stainless steel screws. Optional photocells are available. The Wall Pack's slick finish makes it an unobtrusive way to light any premises and provides an excellent solution to security requirements in commercial, industrial and residential applications.

Product Specific Data

Data/Product	WP30
